OUR VISION AND MISSION

To be a biblically mature, grace-based church.

We will accomplish our vision by:

Reaching Up

through worship, exaltation, and prayer;

Reaching In

through preaching, teaching, and fellowship;

Reaching Out

through evangelism, missions, and social outreach,

that we may present everyone perfect in Christ.

ALWAYS HAS, ALWAYS WILL

Thanks so much for worshipping with us today. As you leave, please go with the knowledge that God loves you! He always has; He always will. No matter what's gone wrong in your life, He'll accept you just as you are—no questions asked. He loves you, period! All He asks is your love in return. So today—right now—why not tell Jesus in your own words that you love Him. When you do, He promises to give you His peace, begin a beautiful change in you, and that He'll always be there for you—always has, always will!

ANNOUNCEMENTS

IF YOU HAVE ARTICLES OR PHOTOS that you would like included in our summer church newsletter, please submit them to the church office by May 20th. Thank you!

THE FCC LIBRARY is featuring two additions by Eric Metaxes. He wrote the biography of Dietrich Bonhoeffer, pastor, martyr, prophet, spy. The DVD of his biography is on display. In his book, "A Letter to the American Church," Metaxes writes: "Even though Dietrich Von Bonhoeffer is dead, he still speaks." Eric Metaxes has given him a megaphone. "We would do well to heed this five bell alarm" (A. L. Graham).

AFTER A MOMENT OF SILENCE, Samuel Frazier will be playing Taps at the town docks on Memorial Day at 3 PM for "Taps Across America." On Memorial Day, Americans remember those who have died in military service to the United States. The National Moment of Remembrance is an annual event that asks all citizens, wherever they are at 3 PM local time, to pause for a duration of one minute in silent tribute to the men and women who have honorably served in uniform and to those who made the ultimate sacrifice for our freedom.

CHURCH FAMILY, are you aware of a wonderful pro-life organization that exists in our State—Cornerstone Policy Research (501c3) and Cornerstone Action (501c4—not tax deductible)? They are non-partisan, non-profit Christian advocacy organizations made up of caring, passionate people working for the people of NH. They are one of 40 state organizations associated with each other. They honor God and are dedicated to serving NH and its people, focusing on the following key issues: life, marriage and family, parental rights, education, religious freedom, gender. They utilize policy and legislation, action, and communication to help us all get involved. Please visit their site, nhcornerstone.org, and subscribe to their email alerts to help you stay up to date on pro-life issues affecting our state and ourselves and our children. We need all of us involved now more than ever! --Debbie Strodel
