that we may present everyone perfect in Christ.

Thanks so much for worshipping with us today. As you leave, please go with the knowledge that God loves you! He always has; He always will. No matter what's gone wrong in your life, He'll accept you just as you are—no questions asked. He loves you, period! All He asks is your love in return. So today—right now—why not tell Jesus in your own words that you love Him. When you do, He promises to give you His peace, begin a beautiful change in you, and that He'll always be there for you—always has, always will!
